

Art in the Classroom Tips:

(Remember, you don't need to know anything about the artist or artwork!)

Show an image, stand by the artwork, and invite students to silently look at it for a few moments.

ASK:

1- What's going on in this picture?

2- What do you see that makes you say that?

3- What more can we find?

REMEMBER:

- Paraphrase student comments neutrally. Don't say "good", "correct", "wrong", etc.
- Point at the area of the image being discussed.
- Link contrasting and complementary comments made by students.
