Evenings for Educators 2017-2018 Schedule

Saturday, October 7, 2017 • 10:00am-1:00pm
We All Have Chemistry: Full STEAM Ahead

Bring your laptop and imagination as we explore the design process through digital and analog means. Guest educators, Courtney Bryant (engineering) and Jeff Mather (teaching artist) from Drew Charter School in Atlanta, Georgia will mentor participants through an arts-infused STEAM project using web-based design tool Tinkercard.

Hosted by CCSD and Utah State University (Logan)

Northern Utah

Evenings for Educators is a free program dedicated to the professional development of elementary and secondary teachers across the state. Each Evening for Educators offers a unique theme and agenda that connects art to core standards. Experience keynote speakers, hands-on workshops, networking opportunities, light refreshments, and free educational materials! Teachers who attend an Evening can earn relicensure points or semester credit from the Utah State Board of Education.

Salt Lake

Thursday, October 26, 2017 • 6:00-9:00pm
Cities of Conviction

The Cities of Conviction exhibition presents contemporary artworks from Saudi Arabia that engage in issues of ideology, government, and commerce. Join us for an opportunity to explore transformation in Saudi society through two teacher-led art workshops and a guided gallery tour.

Hosted by Utah Museum of Contemporary Art (SLC)

Wednesday, November 15, 2017 • 5:30-8:30pm
Art in the Elements: From the Trail to the Museum

Celebrate the re-opening of the UMFA's galleries as we team up with the University of Utah's Department of Art & Art History pre-service teachers to take you on an adventure through art! Nature is all around us. It's particularly spectacular in Utah, and is a part of core standards. Elements of nature combined with artistic fundamentals make for a fascinating dialogue that you can incorporate into any classroom.

Hosted by Utah Museum of Fine Arts (SLC)

Wednesday, September 20, 2017 • 6:00-9:00pm
Diving Deep: Exploring Humor in Art

Join us as we explore the exhibition "Wit and Whimsy: off the deep end" and how humor and play are used to explore deeper ideas in art. Hands-on workshops will help K-12 educators explore playful ways to enhance core curriculum in their classrooms.

Hosted by Springville Museum of Art (Springville)

Tuesday, November 7, 2017 • 5:30-8:30pm
Magical Muses

Participants will enjoy the impressive Annual UVU Faculty Show and explore the multitude of ideas of that bring magical inspiration to artistic exploration. Through a mix of old and new media and techniques join the hands-on mini sessions and find your own magic for artistic expression.

Hosted by UVU Woodbury Museum (Orem)

Thursday, November 30, 2017 • 6:00-9:00pm
Fascinating Foray into the Heart of M. C. Escher

Discover an artistic realm of wonder, impossible constructions, and infinite tessellations conceived in the mind—and heart—of one of the worlds' most famous graphic artists; then experience hands-on art workshops that will inspire your own inner "Escher."

Hosted by BYU Museum of Art (Provo)

Wednesday, March 14, 2018 • 6:00-9:00pm
Transforming the World: A Look at Social Justice in Art

In connection with the national, traveling exhibition "Speaking Volumes: Transforming Hate", we will explore ways art can be used to promote social justice. In hands-on workshops, K-12 educators will explore how these ideas of transformation can be used to shape learning in the classroom.

Hosted by Springville Museum of Art (Springville)

Utah Valley

Southern Utah

Wednesday, September 27, 2017 • 6:00-9:00pm
Common Threads: Connecting Fashion Design with Nature

Based on an exhibit of the work of fashion designer Eletra Casadei, we will be creating pieces of jewelry, clothing, and masks. Elementary and secondary teachers will be separated into grade-level workshops and participate in a hands-on project that will explore science and design integration. The project will connect Casadei's fashion design with inspiration from animals and insects found in Southern Utah.

Hosted by Southern Utah Museum of Art (Cedar City)

Thursday, March 29, 2018 • 6:00-9:00pm
Seasons, Cycles & Sequences: Capturing Time and Change in Art

Come and explore the multisensory, kinetic, and interactive artwork "We Revolve Ceaseless", by Aundrea Frahme and take part in art-making workshops that explore themes related to time and transformation.

Hosted by BYU Museum of Art (Provo)

Friday, February 23, 2018 • 6:00-9:00pm
Print Something!

Printmaking can be used to teach any subject. Add some fun and new creative opportunities for experimentation and expression to your classroom. Printmaking allows students to try different techniques and to see cause and effect in action! Methods are easy to adapt to all ages. Materials can be inventive and inexpensive. You'll have fun too!

Hosted by DSU Sears Gallery with UAEA (St. George)

Thursday, April 12, 2018 • 5:30-8:30pm
Reclaimed Creations

Join us as we focus on the reuse of materials to create fine art with inspiration from artist Sayaka Ganz. Educators will participate in a guided tour and a hands-on workshop.

Hosted by St. George Art Museum (St. George)
